Dear Mr Baron

I just wanted to let you know how pleased I was with the job you did clearing my gutters. They were in a bad state not having been cleared for some years especially at the back where access was difficult. The service to gave was excellent, very prompt, reasonably priced and the job was done with a minimum of fuss and inconvenience.

I will certainly use you again and will have no hesitation in recommending you to my friends if they need the same services.

Thank you again.

Yours sincerely
