Dear David,

Thank you for your letter and I am pleased to say I am more than happy to give you a letter of recommendation and this is attached. I hope this is the kind of letter you require.

We will certainly be using your services again next year.

Yours sincerely,

To whom it may concern

I recently employed the services of Gutter & Conservatory Cleaning Services and would like to say that the work was carried out quickly, efficiently and to a high standard at a reasonable cost. I would have no hesitation in recommending the proprietor, David Baron, to anyone looking for a suitable person to carry out this type of work.
